Glider Meet at Sun Valley Dry Lake October 12 - 13

October 12 and 13 has been the dates officially announced as days of the Glider meet to be staged at Dry Lake in Sun Valley six miles northeast of Joshua Tree.

Around ten Gliders have already been entered for the contests and others are expected to arrive daily. The field upon which these maneuvers will take place is in excellent shape and the program arranged promises all those who attend a thrilling time.

Several of the higherups in the profession will be at the meet, among them, Herman Steigmier, of Inglewood, president of the Southern California Soaring Association. He will bring his Pratt Read glider. Walt White, of Glendale, instructor at Aero I. T. I. Ray Parker, of "K" Field owner of the California Soaring School. Dave Boone, Steve Keskus and Dr. Craddock, the latter three from San Diego.

The big show starts Saturday afternoon. Sunday there will be contests in Duration, Altitude and Spot Landing. A prize of $5.00 will be given to the winner of each of these exhibitions.

Saturday night there will be a moonlight barbecue held at "K" Field. Everybody invited and no admission charged. Take time out and let's show the boys we are all for them.

Auxiliary Party Well Attended

The Woman's Auxiliary of the American Legion gave a party and pie supper at the Community Hall Friday night. The party was for the benefit of the American Legion building fund.

Mrs. Maude Fox, president of the Auxiliary and her group of hostesses were rewarded for their efforts by a large attendance.

One of the unique contests was the guessing of grown-ups, who had pictures taken when they were children. The honors for the highest correct guesses went to Mr. Lyday and Mr. Wood, who tied. Mr. Wood won by the toss of a coin.

The only picture which no one guessed was Mr. Wood, better known as "Woody." This was a picture showing him when four years old, with curls, and golden ones, mind you, he was wearing a dress and button shoes. It was a likeness so far removed, that it left all guessing.

Other games were bridge, pinochle and five hundred. Various prizes were awarded. One of the nicest features of the evening were those delicious home made pies for which Joshua Tree is famous. These were served with coffee.

A nice sum was netted for the American Legion.

First Church of Joshua Tree Organized Sunday

Church services were held in Joshua Tree Sunday at 11 o'clock a.m. at the Community Building. The attendance was large, and the sermon was preached by Rev. Williams, who will be the regular minister for the newly organized Community Church.

Rev. Williams read his text from the first chapter of Genesis. He preached a sermon to an interested audience, who voiced their liking to his sermon and his way of organizing our Church. Communion services were held, and twenty nine members were taken in Sunday.

Mrs. Kirch sang a solo. Mrs. Kirch has a beautiful voice for church singing and her solo was enjoyed by all.

After the sermon the election of three trustees and nine stewards were completed. The trustees elected were: Mr. Milo Crane, Sr., Mr. Thos. Henning and C. V. Wilson. The Stewards were: Ted Crane, Juanita Wagner, Mrs. H. K. Lee, Mrs. A. Kirch, Mr. C. V. Lowther, A. S. Wood, Chester Bunker, Milo Crane, Jr., and Elinor Bayes.

Mrs. H. K. Lee was elected as the Sunday School superintendent. Mrs. Lee has been faithful in her Sunday School work in Joshua Tree and her services are highly appreciated by all.

A collection was taken for overseas relief for soldiers, which amounted to nineteen dollars and thirty-five cents.

Church services will be held each Sunday at the Community Building at 11 o'clock until a church is built. Sunday School will be held at 10 o'clock. All are invited to attend both of these services.

The doors of the church will be open to charter members for the next two Sundays.

TAKE A LOOK AT WOODY'S EMPORIUM

A look at the drugless drug store at Woody's Emporium will convince you that you need not look further. Woody says if they do not have it they will get it. Men, you can actually buy suspenders at Woodys. Mrs. Wood returned from her shopping trip to Los Angeles with more of those just arrived pretty frocks for the women.

Joshua Tree is fortunate in having a place where one can buy men and women's clothes and things for winter colds and everything. Take a look.

S. O. S. for Next Saturday

Material is on the ground for the finishing touches of the new Community building and it is necessary that this finishing work be completed.

An urgent call we bring you. Be there next Saturday with tools and helping hands to finish this job. This is vital. Please come.

Ambulance Drive Still Going On

While the ambulance drive last week was generously supported by our people in Joshua Tree, we still have not reached our quota for the new ambulance which is a necessity if our citizens are to have quick service when in need of an ambulance.

The drive is still on. Some one will call on you, or you may send your funds to Dr. Sinclair, or clip the coupon in the Journal and send in your donation.

Let us make this a responsibility. Please co-operate by sending in your contribution if you have not already done so.

Rice's Cafe Changes Hands

C. A. Hanna and Mary Jordan, of Los Angeles have taken over the Rice's Cafe, and will open the 16th of Oct.

They will specialize in good coffee.

Good service and good meals are promised the customers.

Do not forget the opening date. Open early for breakfast. Closing hour will depend on food conditions.

Opening of Gear's Studio

Monday, October the 14th, will be the opening day for Stewart Gear's Portrait Studio.

Mr. Gear and his distinctive portrait work need no introduction. He has lived in Joshua Tree for some time, has done portrait work which is appreciated by those who love and know good portraiture, and is inviting the people of Joshua Tree to his opening, where they may look over his work and see his studio. He is equipped to do kodak finishing and commercial photography.

Joshua Tree, with its scenic views, and new homes and buildings in the making are fortunate in having a photographer on the spot to take good pictures of our people, groups, and homes.

Mrs. Steve Moninger came over with Mr. Moninger from Los Angeles Saturday and spent the weekend in Joshua Tree. Mrs. Moninger has many friends in Joshua Tree who are always glad to see her.

Joshua Tree Is Having Big Building Boom

School Meeting Held At Yucca School

The school meeting which was held at the Yucca school house to discuss the over-crowded condition of the Joshua Tree school and matters of interest to the Yucca school, resulted in Joshua Tree being promised the services of the day by day teacher, Mr. C. J. Herbst, until the 15th of October, and a continuation of the Yucca school. After the 15th of October Joshua Tree was promised either two teachers or no teacher.

Each school wanted to retain her own school, with her own children, however Joshua Tree is overcrowded and one teacher is inadequate to take care of our overcrowded school.

Surprise Party for Mrs. Fay Wilson

A surprise party was held for Mrs. Fay Wilson Friday night, which was really a surprise.

Mrs. Wilson's friend, Mrs. Bayes, had been delegated to keep Mrs. Wilson company and see that she did not leave home until the guests arrived.

The guests met at Woody's Emporium and went over together. Mrs. Wilson was in the bath room and when she came out to complete her prettying process, she actually looked dazed, when all gathered around her and sang, "Happy Birthday."

The friends and Mr. Wilson had provided refreshments. Perhaps the two persons who can furnish more real laughs than any in Joshua Tree are Mrs. Wilson and "Woody." Did the guests have fun.

Many beautiful gifts were bestowed on the hostess, who was truly surprised and grateful.

Bunco was played, and Mr. Bayes and Mrs. Wilson played the guitar and everyone who could sing, sang old songs.

Those present were: Mr. and Mrs. Bayes, Mr. and Mrs. Wood, Mr. and Mrs. Mitchell, Mr. and Mrs. Wilson, Mr. and Mrs. Barrett andMr. and Mrs. Wilson.

May she have many happy birthdays.

SUNDAY SCHOOL PARTY DRAWS NICE ATTENDANCE

The Sunday school party, which was held last Saturday afternoon at the Community building was well attended.

The children played games after which pop corn balls, cookies, and candy was served. The elaborately decorated candy baskets were donated by Mrs. Becker. Mrs. Milo Crane, Jr., and Mrs. Bayes assisted Mrs. Lee with the children.

One of the editors of the Journal in company with Mr. Chas. Mitchell of the Joshua Tree Townsite Company made a survey of the building activity in Joshua Tree Monday and the result of the survey was astonishing: Here are the results in black and white:

Mr. and Mrs. Elmer Robinson's store building on Center Ave., just off 29 Palms highway is almost completed. The building is stucco, the dimensions being 25x26 on a lot 33x70. The stipple work decorating job is almost finished, and when completed, will be a neat job. The building will be sold when finished, which will be very soon.

Mr. B. W. Copp is building a home, with the assistance of Mr. Wiser, contractor, which, when completed, will be one of the nice homes in Joshua Tree. The house will be finished in about two weeks. The living room will be 12x14; kitchen 12 ft. 9 in.; bedroom 10x12; bath 6 ft., 6 in. x 8 ft., 3 in.; service porch 12 ft. 9 in. x 9 ft., 3 in.; closet 6 ft. 6 in. x 4 ft. The floors will be concrete. The walls are tinted. Windows are modern style. This house is frame.

C. A. Neff is building 5 units or two doubles and one single, on 29 Palms highway and Sunburst Circle. The units are built of cement blocks, and four tons of steel have been put into the building, which reinforces the building, making it a building which will stand up against any disaster which might overtake any building. The lot is 90x240 ft., which gives plenty of room for another set of units to be built. They are roomy, and modern.

The units will be completed in about two weeks.

Our next visit was ot E. J. Tonkinson, who is building one of the very nicest homes in Joshua Tree. The house will be one of which any owner would enjoy living in. The living room with rock fire place is 13x17. The snow white kitchen, with built in cupboards is 8½x12 There is a dinette with built in features, the bedroom is 10x12, there is also a hall, a bedroom 10x12, large closet and shower. A service porch has been added and a front porch 7½ by 17. The house is almost finished. It is a beauty.

G. W. Papendick on Sunset St. is building a cement block house 22x32. The house will be living room, kitchen and dinette, service

(Continued on page 8)

PLEASE COME TO SUNDAY SCHOOL

Mrs. Lee, the new superintendent urgently invites everyone to Sunday school services Sunday mornings at 10 o'clock, at the new Community Building. Mrs. Lee has been faithful in her Sunday school duties in Joshua Tree and she hopes to build a Sunday School where all ages may attend and enjoy.

Pavement Pick-ups

Mr. and Mrs. John McGee of the Joshua Tree Townsite Company spent the week in Hollywood, visiting friends.

Miss Edith Parrish returned Monday from a ten days trip to San Francisco, where she attended the Amreican Legion convention. Miss Parrish was a world war nurse and met several old friends of World War acquaintance. She enjoyed the trip.

Mrs. Cain and Mrs. Longtime, of Sheman Oaks spent several days at the Desertaire Lodge last week.

Mr. and Mrs. Louis Grafe returned to Los Angeles, Sunday after having spent several weeks at the Desertaire Lodge.

Mr. L. DeVries, of Bellflower was in Joshua Tree Saturday. Mr. DeVries likes Joshua Tree and is looking around with a view to buying here.

Dr. Louis J. Elwood of Hollywood, was in Joshua Tree last Saturday looking over his possessions. He owns a couple of houses here and may figure on more. He is an old timer in this section and sees a bright future ahead for Joshua Tree.

Mrs. Lucian Quinby visited several days in Los Angeles last week. Mrs. Quinby looks rested and refreshed from her recent trip.

Mr. Jerry Emig, who is on leave of absence from the U. S. Navy, stationed at South Carolina, has been visiting his parents, Mr. and Mrs. Leo Emig of Sun Valley, has gone into Los Angeles for a day's visit with his sister and will return to Sun Valley to spend the balance of his time with his parents before returning to So. Carolina.

Notice change in Stefans advertisement in this issue. Something new.

PISTOL PACIN' MAMMA OF SUN VALLEY KILLS FIRST COYOTE

Mrs. George Ledesma, of Sun Valley, shot and killed the first coyote Thursday of last week as she was driving along Sun Valley Dry Lake. Mrs. Ledesma killed the coyote with a 22-Pistol. Mr. Paul Marble and Mr. Ledesma had been trdying for some time to shoot one but it took Mrs. Ledesma to make the first kill. A Ranger was only a short distance ahead of Mrs. Ledesma at the time she made the kill, and he was also looking for one. Those gentlemen are all now taking the back seat.

With less than 2½% of the farmers of the nation, California farms produce about 8½% of the gross cash farm income and rank first in the use of power and machinery, the stability of production and the amount of hired labor used; also they top all others in rate of wages paid to farm labor.

Dr. Maurice Ernest of London, founder of the Centenarian Club designed to help people reach 100, believes in thoroughly enjoying life. His favorite story is about the man who wanted to be a centenarian and was advised by his doctor to give up drinking, smoking and women. "Will I live to be 100 then?" asked the patient.

"No", said the doctor, "but it will seem like it."

TWELVE MAN STEERING COMMITTEE

Voting to participate in the staging of Voluntary Health Insurance Week, the San Bernardino County Medical Society today named a 12-man steering committee, according to Dr. Marcus D. White, president.

Chairmanned by Dr. Walter S. Cherry, Rialto, the committee will serve as a coordinating group to work with the California Committee for Voluntary Health Insurance, sponsors of Health Week which starts here next Monday, October 14.

Committee members are: Drs. White and Cherry, E. L. Tisinger, San Bernardino, L. E. Daly, Needles, J. N. Martin, Colton, G. A. Graybill, Barstow, Phil Lawler, A. D. Butterfield, Loma Linda, E. O. Carlson, Ontario, C. J. Clock, Redlands, W. R. Quinn, Redlands, and J. E. Clough, San Bernardino.

Outlining plans for the event which will focus the public's attention on the importance of health and accident protection, Dr. White said: "Families in our community, especially those with moderate incomes, often experience real hardship when faced with the financial burden of hospital and medical care.

"We feel that the problem can best be met by management in cooperation with doctors and hospitals making available to their personnel the fast-growing voluntary health plan operated by the doctors and hospitals for the past several years."

To participate during Health Week along with other groups, the California Physicians' Service has established local offices at 393 E St., San Bernardino, according to Milton Tremayne, local manager.

Signs multiply that the march of trade is Westward, with business and industry gearing their post-war activities to the new trend. Newest step in the program to make California one of the world's greatest trading posts was the organization in Washington, D. C., a day or two ago, of the Western Retailers Council, grouping 20,000 merchants in 11 Western States. President of the new group is able, energetic Vincent D. Kennedy, managing director of the California Retailers Association.

A Missouri farmer was chasing a rabbit the other day, struck his head against a tree and was killed. All you fellows trying to catch your winter meat, look where you're running.

* * * * *

An appeal for finances with which to run their campaign thru the present month, is being made by the republicans of California through the republican press. Well, if the republicans are broke, as they say they are, what hope has the people that the state wouldn't soon be in the same fix if it were turned over to them.

* * * *

It seems that the democratic party of the state has all the money in the state behind them in the present campaign, while the republicans have practically all the newspapers. We await with interest to see which is the most potent, money or the press.

Hamburger Turns Into Turkey

Belshazar had a feast back in Babylonia days that has come down in history through the Bible, and will live forever. The editors of the Joshua Journal had a feast Sunday night that may not go down in history, but we'll bet it was as good or better than anything Bel had.

Our old friend J. B. Duncan, of the Bunker Land Co., barged into our home Sunday afternoon as we were listening to the Worlds Series ball game, and wanted to know if the wife and I would like to come over to their house that evening for a hamburger dinner. Well, after having gone without meat for several days, I said "sure, Mike."

At 6:30 we appeared on the scene and discovered a lot of hustle and bustle kitchenward and were invited to "set." It wasn't long until the call came to surround the festive board and we did.

When the cover was lifted, we gazed in amazement. Instead of the jackrabbit hamburger we had expected, behold the following:

Turkey and Dressing
Celery Pickles Cranberries
Mashed Potatoes
Candied Sweet Potatoes
Gravey Hot Rolls Peas
Country Butter Prune Cake
Ice Cream

Just think of it, folks. Take another look at that menu.

If Belshazzar had had a feast like that, he never would have been able to see the handwriting on the wall accredited to him.

Well, from then on it was the usual mellow visions of a happy life and contentment. The Duncans are a wholesome people, ones you learn to love and appreciate. As hosts they are par excellence. As a cook, there are none better than Mrs. Duncan. We know, we've traveled some, eaten many places and in different walks of society, but when it comes to the preparation of a meal, our hat is off to Mrs. J. B. Duncan of Joshua Tree.

Mrs. Duncan was assisted in her labors by her daughter, Mrs. Florence Hoover, who is a very charming and talented young wife, and who with her husband who drives the school bus between Morongo and 29 Palms, are now living with her parents.

After the sumptuous feed we parked ourselves on an easy couch and settled down to enjoy a pleasant evening with pleasant people in an atmosphere that spoke real comfort. Memories of this evening at the Duncan home in Joshua Tree, will linger with us until the end of time, and we hope for this couple the best to be derived from life.

The turkey served at this delicious meal was a product of Sun Valley and no turkeys taste better when cooked as this one was.

THIS . . . and THAT

By Beth Barrett

Human nature is alike. Many persons wonder why so many are drawing their unemployment relief money rather than looking for work. It is just as natural for less fortunate persons to enjoy leisure as those who have money. Most working people are over tired. Leisure to them is time for enjoyment. When one has acquired a few things which add beauty and joy to living, it is human nature to do the things which leisure affords the time to do.

An understanding that all of us are human and endowed with the same capacity for enjoyment of the luxuries, will give us a more tolerant view point of those who are not caring to be over worked.

Some of the funniest things happen in a newspaper office. Our printers are worked almost beyond endurance. Last week something happened, which if one of the friends of the paper had not seen, would have been serious. Reason being that had the error appeared, it would have been plain humorous to us, because of the temperment of the individual, plus the mistake. However, the correction was made and everyone was happy. It takes a sense of humor and plain grace of God to be a serene editor.

Here is something funny. I had been writing this and that about the beauties of the desert; its climate; its scenic beauty and our healthful water, when a group of young men just returned from the army leaned over my "copy" and said: "What new has happened in this elephant's grave yard?" There goes one of them now waving to me. He is walking with one of our beautiful girls and judging from his expression, has changed his mind about this being an "elephant's graveyard.

It is a pleasure to be writing news items about things that are going on in our new community building. There is school, the Chamber of Commerce, many social doings, and church, all of which are possible because we all together dug right in and worked for a common interest. We are stickers together in Joshua Tree. When our Mrs. Wood, or any of our merchants or townspeople who do not have cars, go to Los Angeles, The Joshua Tree Townsite Company bunch, or any other citizens going that way offer rides. The same holds good for meat—we all manage to help each other get it. We congregate over at our bench in front of our big store and work things out together. One man said to me, "Every time we get together, we fight." "Yes," I replied, "but we fight nice." That it the way we do in Joshua Tree. Even if we fight, we fight nice.

I enjoyed church services Sunday morning in Joshua Tree. In this tense time it is nice to know that despite seeming conflicts, we can get together in common worship, with love for God and each other in our hearts.

There is not any organization which has stood the test of time and changes equal to church. A Community Church, where people of various individual beliefs can merge, with a common interest, is a fine thing in any community. It exemplifies the teachings of Him who said: "A new commandment I give unto you; that ye love one another."

Mr. Joe Cholett, of Los Angeles, who has recently purchased a lot in Joshua Tree, was in town the latter part of the week.

Brickbats and . . . Boquets

THANKS, MRS. WILLIAMS

Dear Sir:

I received my second copy of the Journal and hope it comes through regularly. I really miss the little paper when it fails to come. You know we have many old friends there as we had the Union Oil Station 4 miles east of you for ten years, and before that we homesteaded out there in 1923 so we do like to keep in touch with all of you. Watch the desert grow, and the Journal seems to be the best way of all to do that.

Mrs. A. M. Williams,
P. O. Box 502, Calimesa, Calif.

LOVELY WEATHER HERE

Los Angeles, 6, Calif.
October 3, 1946

Joshua Journal
Dear Sir:

Just noticed my subscription to the Joshua Journal was due July 14. Enclosed find check for one dollar for six months more. I wish you would add the weather and its temperatures to your Journal. It would be a great idea to keep us in L. A. informed of weather conditions at Joshua.

Sincerely,
Emma M. Adams

Dear Subscriber:

The people of California are always talking about the weather, but they seem unable to do anything about it. However, the Journal will see "weather" or not we can do something along that line.

The Joshua Journal,
Joshua Tree, Calif.
Dear Friends:

As you know, I subscribe to the Journal. I want to tell you that it is improving with every issue. You are doing a fine job. I especially enjoy the breezy contributions of Beth Barrett.

I hope to meet you in a couple of weeks as I own a large lot in Joshua Tree and am going there to see about it.

Cordially,
Molly Malone.

Hollywood, California, 38.

Phoenix, Ariz.

Joshua Journal
Joshua Tree, Calif.
Dear Editor:

Please find check for two dollars to cover one year's subscription to Joshua Journal. Enjoy the paper so much, do not want to miss a copy. Looking forward to time we can build on our lot and enjoy the most perfect climate.

Send paper to —
Mrs. Joe L. Tuerff,
Rt. 2, Box 494,
Phoenix, Ariz.

Cheyene Stock Yards,
Cheyenne, Wyo.

Flying News From 'K' Field

This area will soon have a new Airplane Charter Service which will bring Los Angeles, San Diego and Las Vegas less than one hour away. Merle Parker, Ray Parker's brother, purchased a war surplus twin engine Cessna which will carry five people and one hundred pounds of baggage at 140 miles per hour. Mr. Parker estimates the service will be ready for operation November 15th. Ray Parker and Bill Putnam flew the ship from Santa Ana last Tuesday.

Wally Neugent from Pasadena, flew from Rosemead Airport to 'K' in a new Cub Trainer with one of his students. They enjoyed a Sunday morning breakfast and a soaring flight in one of the sailplanes before returning.

Phyl. Livingston an ex-instructor at the Twentynine Palms Air Academy dropped in for a little chat Sunday afternoon.

The Desert Flight Club has a new member, W. C. McDowell who spends most of his time at the Chevron Station at the Smoke Tree corners. Mac flew before the war and has only a few hours to go before getting his private license.

Every one is invited out to the Glider Meet at Sun Valley Dry Lake (formerly Violet Lake) this weekend. There will be plenty of soaring and activity for entertainment. Prizes will be given for duration, altitude and spot landing contests.

VISITING FATHER IN JOSHUA TREE

Miss Louise Bibbins who is with Technicolor, a firm of technicians in Hollywood is in Joshua Tree visiting her father, W. H. Bibbins. This is Miss Bibbins first visit to Joshua Tree and she likes our little city so well that she hopes to own property here at some near future time. Mi ss Louise is a charming young lady and she is employed as technician with the above firm.

FOR

Veterans' Welfare

Vote "YES" on Proposition 2!

The Veterans of Foreign Wars and the Disabled American Veterans urge you to vote "YES" on Proposition 2 on the November ballot.

This measure will legalize greyhound racing in California — under strict state supervision — and turn over 4 per cent of all track wagers to a Veterans' Fund administered by the State Department of Veterans Affairs.

It will perform a distinct service for California veterans. It will guarantee adequate financing of state-sponsored welfare and rehabilitation activities, including support of the Veterans' Home at Yountville. It will relieve the taxpayer of the burden of paying for these services; greyhound racing will pay the bill instead.

California veterans ask you to support them in this campaign.

Let's carry through - Vote 'YES' on 2

(General Election, Tuesday, November 5)

VETERANS OF FOREIGN WARS DEPARTMENT OF CALIFORNIA

DISABLED AMERICAN VETERANS DEPARTMENT OF CALIFORNIA

29 PALMS

By ANN CRAIG

Frank Bagley store at the Plaza in 29 Palms is being repainted on the inside, shelves are being rearranged and a new sprinkling system has been installed for the vegetables.

This store has served the public for many years, giving the best obtainable. Mr. Bagley's employees have been with him since the store was built where it is today. This speaks for itself.

Mr. and Mrs. Bagley homesteaded here and raised their family. No other man has done more for his community. He has befriended many a man and i, for one, when I needed it most of which I am greatful. If the desert has bestowed blessings on the Bagleys they have earned it with their labor and faith in their community.

48 Years Ago

Camp No. 7, Sat., March 19, 1898

We went out prospecting on Dry Lake Valley mountains. In the vicinity we brought in several large pieces of quartz which we pounded up and horned without success. While on our rounds we stopped at Cost horse comp and got a letter. We also passed by where they are drilling a well. To our surprise we found a different party drilling instead of the Baily brothers. While on our trip Jack runs a jack rabbit down and catches him and we had a desert stew for supper. It is a nice day.

Camp No. 7, Sun, March 20, 1898

Sunday being the Lord's day we remained in camp and cleaned up a little and our cleaning consisted of just combing our hair for water is very scarce here. Jack held Sunday school service on a rock. His pupils consisted of Bob and Cady baby, pets of Miss Calamity Jane, and Miss Judy. After Sunday school there being a little grease on Pete's quarterly, he ate it up. This afternoon Jack takes the lantern and showed Frank through the Desert Queen mine. Tomorrow we start for Cottonwood mountains.

If a man makes a stupid mistake, the other men say: "What a fool that man is." If a woman makes a stupid mistake, the men say: "What fools women are!"

A woman worries about the future until she gets a husband, while a man never worries about the future until he gets a wife.

(Continued from page 1)

porch, front porch and bedroom. The foundation and floors have been laid and the plumbing in. We could not ascertain just when the house will be finished.

We next visited O. C. Harrington and learned another of our good women is helping in mixing mortar, as did Mrs. Krumcke, also laying brick and according to Mr. Harrington, is a first class brick layer. The Harrington home is located on Chollite and Valley View. The lot is 75x175 and the house will be a kitchen with bar, dinette and living room, service porch, one of the loveliest showers in Joshua Tree and a large bedroom and a barbecue will be added in the back. Mrs. Harrington likes to barbecue meat and has a recipe which sounds too good to print during our shortage of meat. We have been invited over to test her talent along this line and will be eagerly waiting. The Harrington house will be finished in about three weeks and not any couple will appreciate a nice new home more than this fine couple.

We next visited Mr. and Mrs. Henry Juhrend and wife, who have recently moved to Joshua Tree and immediately began laying plans for the building of a home. They are located on Chollita and are building a cement block house 31x18. The foundation has been laid and the plumbing is being put in. The house will be 31x18 and when finished will have a living room and bedroom, dinette and kitchen, a service porch, shower and front porch. Mr. Biggs is the contractor and the house has been promised by Thanksgiving. The Juhrends are quite happy about their prospective new home.

Mr. and Mrs. Henry Johnson, who have completed two units, have two more under construction. They are located on 29 Palms Highway. The units are 40x30 and contain large living room, bedroom, kitchen and shower. The two units under construction will be finished in about two weeks. Mr. Johnson and Al Hamblin are doing the construction work with Robt. Johnson, son of Mr. and Mrs. Johnson, helping. The units will be rentals.

(Continued Next Week)

Mrs. Fannie F. Healy and Mrs. Gertrude Loomis, of Beaumont, were in Joshua Tree, Wednesday. Mrs. Healy is an old-time printer and she still likes the smell of printer's ink. The ladies continued on to 29 Palms to look that burg over.

"For Jimmie and me Vote 'YES' on 3!"

Proposition 3 will relieve the teacher famine in California by guaranteeing public school teachers a minimum salary of $2400 a year. *Local taxes will not be increased by this measure. State funds are available for this purpose.*

Two hundred California organizations, including the following, urge you to vote "YES" on 3—Republican and Democratic Parties, American Legion, Veterans of Foreign Wars, Disabled American Veterans, AFL, CIO, Native Daughters and Native Sons, and P-TA.

And remember—when you vote "Yes" on 3, be sure to vote "No" on 13, which would further reduce present inadequate school appropriations.

Vote "YES" on 3!

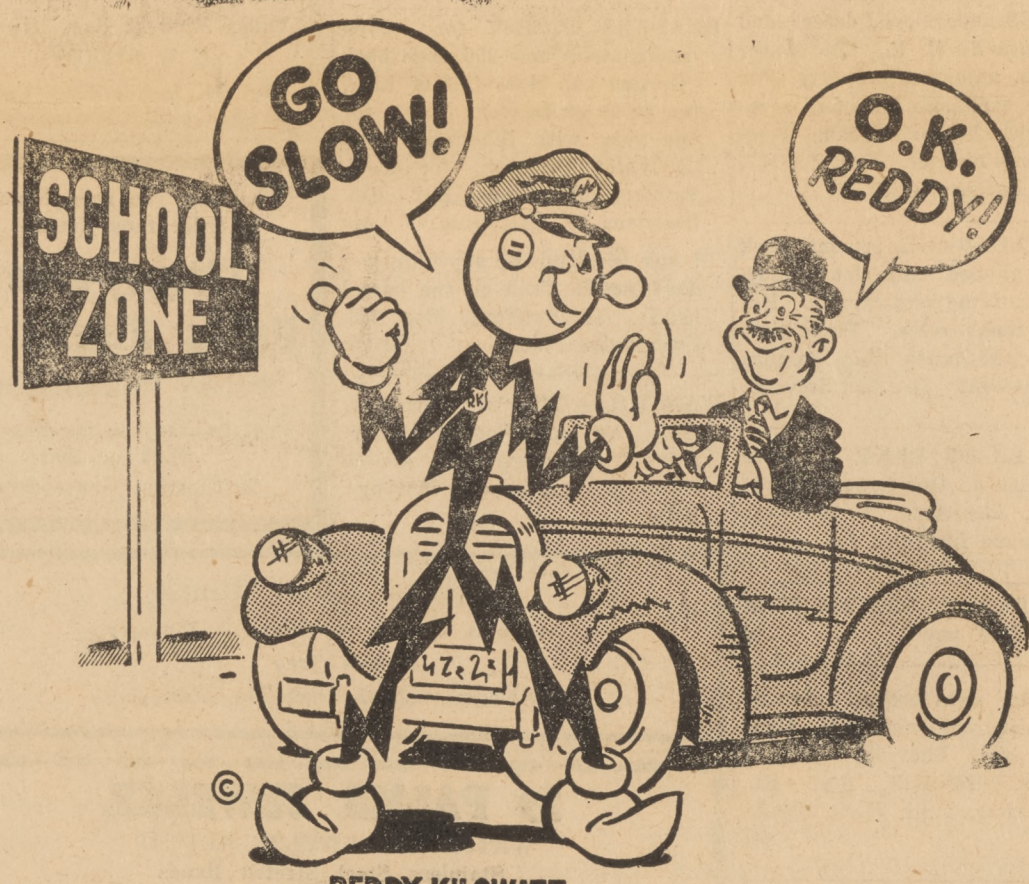
BACK TO SCHOOL!
FOR MOTORISTS TOO---



REDDY KILOWATT
Your Electric Servant

Each year hundreds of children are injured through their own carelessness or through the fault of the motorists involved . . . . . .

Eager and carefree children going to or from school oftentimes do not stop and think of the many dangers that await them in the streets. It is up to us, the motoring public, to protect these children against their own carelessness . . . . . .

Most schools have a force of student police who direct the students safely across the streets . . . . . Respect those boys and girls who are protecting your young America . . . . . .
